

Design & Manufacturing Leadership Forum 2025

Leveraging Technology for Scalable Innovation and Diversification

19th March 2025
6:00 PM Onwards
Sheraton Grand Pune Bund Garden Hotel

Total Attendees

31

Unique Organizations

22

Manhours of Engagement

93

Key Discussion Areas

Accelerating innovation through digital transformation

Leveraging AI and automation to drive efficiency and accelerate time-to-market

Overcoming operational and engineering challenges to support diversification efforts

Unlocking new opportunities with data driven decision-making

Increasing operational efficiencies with digital collaboration, simulation & digital factories

Glimpses from the Event

Registration

Welcome by Sachin Mhashilkar, COO & Associate Publisher - B2B Tech, 9.9 Group

Panel Discussion on "Leveraging Technology for Scalable Innovation and Diversification" by Jeff Kinder, Executive Vice President, Product Development and Manufacturing Solutions, Autodesk

Panel Discussion on "Leveraging Technology for Scalable Innovation and Diversification" by Srinath Jonnalagadda, Vice President, Data Solutions, Design & Manufacturing, Autodesk

Panel Discussion on "Leveraging Technology for Scalable Innovation and Diversification" by Stephen Hooper, Vice President, Design and Manufacturing, Autodesk

Delegates listening to Speakers' insights

Delegates enjoying the networking dinner

Attendees

Ajtisingh Nawale

Head IT, Advik Group

Tadsare Amar Subhash

Manager, Bharat Forge Ltd

Pramod phadtare

Engineering Leader, Bharat Forge Ltd

Kedar Paranjape

Leader - Engineering, Bharat Forge Ltd

Vaibhav krishant khapare

Assistant Manager, Bharat Forge Ltd

Raju Chintaman Kadam

Senior Manager, Bharat Forge Ltd

Avinash Shinde

Head - Automation, Century Enka

Ashok Tiwari

Chief Information Officer, Finolex Cables Ltd

Vijayavittal Kanugovi

Director Engineering and Process Technology, GLATT GmbH PROCESS TECHNO

Anil Philip

Head Automation, GLATT Systems

Manish Singh

Manager, GLATT Systems

Kishor Thakare

Vice President, Hinduja Tech Limited

Manish Thakare

GM Design, Hinduja Tech Limited

Kiran Neve

Country Head – IT (Hitachi Astemo India), SAP S/4 Hana – IT Lead, Hitachi Astemo Brake Systems India Private Limited

Ashok Jade

Group Chief Information Officer, Kirloskar Brothers

Sagar Pawar

Group Head Engineering, Kirloskar Chillers

Laxmikant Mishra

Senior General Manager (Business Head & Managing Director), Minda Katolec Electronics

Gitesh Muttha

Plant Engineering Head, Motherson Automotive Technology

Navnath Baravkar

HEAD IT & CIO, MUTUAL AUTOMOTIVE PRIVATE LTD

Sudhir Kanvinde

Chief Information Officer, Supreme Industries

Tarundeep Sobti

Head- Engineering Research Centre & Product Management, Tata Autocomp GY Batteries Pvt Ltd

Mukundan S

DGM - Engineering, Tata Motors Ltd

Harshad Pujari

Assistant manager mechanical design, Thermax Ltd

Prasad Pate

Vice President - Technology and Information Systems, Thyssenkrupp

Suhas Deshmukh

IT Head, TRUMPF INDIA PVT LTD

Barenaya Pattanayak

Sr Product Team Leader Design, Uno Minda Limited

Avinash Kulkarni

Manager, Uno Minda Limited

Saravanan Nagarajan

Plant head, Unominda katolec

Ankush Gaikwad

HOD Production, Varroc Group

Madhanagopal Varadharajan

Head (COE) - Manufacturing Engineering, Varroc Engineering Limited

Vishal Gupta

Vice President Operations, Varroc Engineering Ltd

Delegate Feedbacks

“The key takeaway from the session was manufacturing optimization which also provided valuable insights with many use cases.”

Ashok Tiwari

Chief Information Officer, Finolex Cables

“An enriching experience—gained insights into AI, its applications, and how it can elevate our business.”

Kedar Paranjape

Leader - Engineering, Bharat Forge

“An interactive session exploring real-world AI in manufacturing with industry experts, gaining insights from leaders with decades of experience.”

Harshad Pujari

Assistant Manager - Mechanical Design, Thermax

“The session highlighted key digital initiatives and Autodesk's offerings, empowering me to work more effectively.”

Manish Singh

Manager, GLATT Systems

“The session was wonderful, filled with valuable takeaways.”

Anil Philip

Head - Automation, GLATT Systems

“An informative and interactive event—gained insights into manufacturing challenges and how Autodesk can help overcome them.”

Vishal Gupta

Vice President - Operations, Varroc Engineering
