Delegate Feedbacks

"The session was highly insightful and highlighted the significant opportunities for NBFCs and BFSI sectors to leverage these strategies, especially in the context of inflation."

Shashikant Yadav

Head - IT Infrastructure, Tata Capital

"I had an insightful conversation with Microsoft and AMD on confidential computing, discussing the promising future outlook for this solution and its potential for enhanced use going forward."

Manish Kishore

Global Head - IT, Wockhardt Foundation

"Confidential AI' is a new concept, and I would like to attend more sessions like this to gain a better understanding of the term."

Jagdish Joshi

Principal - Technology Infrastructure, Mahindra & Mahindra

"It was an excellent session on confidential computing."

Neeraj Vetkar

General Manager - IT, Avenue Ecommerce (D'Mart)

"The session on confidential computing was excellent and this upcoming technology will definitely help in protecting data."

Sanjay Ranjhani

Head - IT, Senvion Wind Technology
