Delegate Feedbacks

“The event was insightful and gave us great ideas—we are now better prepared to handle similar events in the future.”

**Mohan Shetty**  
Vice President Technology - Aditya Birla Sun Life Insurance

“The cyber resilience session highlighted that data security must be part of our culture—from top to bottom. In this digital age, organizations which are unprepared are stuck in the stone age.”

**Anuja Deshmukh**  
IT Transformation Manager - Aditya Birla Capital

“The event offered a valuable, in-depth understanding of how to handle critical scenarios. It is a great initiative by Rubrik—truly appreciated.”

**Kalpna Singh**  
IT Lead Projects, Aditya Birla Capital
