Delegate Feedbacks

"The event was fantastic—engaging, interactive, and truly fulfilled its purpose. We thoroughly enjoyed the experience and the product!"

Harsh Veer Singh

Design Engineer, Thyssenkrupp

"It was an insightful session on Autodesk's diverse product lines—informative, engaging, and truly inspiring."

Praveen Narayan

General Manager - Engineering, Xylem Water Solutions India

"The session was incredibly helpful—it clarified the role of technology and how we can leverage it moving forward."

Ganesh Kethavath

Manager, Aditya Birla Renewables

"The Autodesk event was insightful—an engaging session on powerful tools like Vault and Fusion 360, showcasing technologies that drive smart planning, automation, and business growth."

Sushanto Shekhar

Manager, Aditya Birla Renewables
