Delegate Feedbacks

"The session provided valuable insights into AI, including a brief overview of key challenges and their solutions. It was a truly enriching event."

Vasudeven Nair

Head - IT & CISO, Writer Corporation

"I gained valuable knowledge about AI and the new innovations F5 is introducing to the cybersecurity space. I look forward to seeing great products and solutions from F5."

Niketan Jadhav

CISO, CDSL Ventures

"The AppWorld event was truly impressive. The key announcements made by the CTO were very promising—especially the AI segment and the AI-based solutions they have integrated. It all looks very promising, and I'm looking forward to seeing the roadmap materialize."

Gireesh Kumar Pillai

AGM - IT, ICICI Bank

"It was an excellent event. I observed that F5 has built a comprehensive orchestration platform that manages everything from the application layer to the network layer—from Layer 3 to Layer 7. I look forward to gaining deeper insights into the solutions they are offering."

Jagdish Joshi

Principal – Technology Infrastructure, Mahindra and Mahindra
