## Delegate Feedbacks

"A great session—full credit to Mr. Nipun Sharma and the Autodesk team. We're truly satisfied"

**Kartar Yadav**  
Head of IT, Napino Auto & Electronics Ltd.

"Autodesk tools like AutoCAD have greatly enhanced our drawing efficiency—now we're excited to explore Inventor for even greater possibilities"

**Divyansh Panday**  
Asst. Manager - Design & Development, Napino

" Autodesk showcased powerful digital solutions—tools like Tandem inspire our journey from paper-based design to a unified, digital industry with PLM at the core"

**Sanjeev Saurav**  
Senior Engineer, Uno Mindarika

" We're embracing Industry 4.0, moving step by step toward a fully paperless future—and today's session was truly inspiring."

**Ajay Bagdi**  
AGM-Projects, Motherson Techno Tool Limited

" Today's event was inspiring—gained valuable insights on digital transformation and the digital factory. Looking forward to connecting with Autodesk!"

**Shweta Dwivedi**  
Business Excellence, JBM Group - Tooling & Technology Business
