Delegate Feedbacks

"The event was well-curated—from infrastructure modulation to application modularization and the security aspects. It was insightful to see how Nutanix is enabling these areas. An absolutely great event!"

Dipak Rout
Head - IT, Arihant Capital Markets

"It was a great session with a lot of insights on their new product, NKP. This will help us modernize our applications faster—and potentially in a more secure manner."

Hitesh Talreja
CTO, LIC Housing Finance

"The session on cloud-native was excellent—with thoughtful moderation. Many of the points discussed will be truly helpful for us going forward."

Rajendra Panchal
CISO, Future Generali India General Insurance

"The session was very insightful. I got to learn about the NKP concept, which will definitely be helpful for us. Overall, a great session!"

Rohith Salian
