Delegate Feedbacks

"AI is an eye-opener for organisations as they plan their next steps. Its role in cybersecurity and the broader ecosystem is crucial, and I congratulate CIO&Leader for organising such an engaging session with Microsoft."

Dr. Yusuf Hashmi

Group CISO - Jubilant Bhartia Group

"A well-structured and insightful session by Microsoft and CIO&Leader, focusing on how AI and cybersecurity are evolving across the industry. Truly valuable inputs from peers and leaders."

Rakesh Sharma

CISO - IndiGo (InterGlobe Aviation)

"A highly informative session on AI, cybersecurity, data privacy, and boardroom perspectives. Well done to CIO&Leader and Microsoft for creating such a valuable learning platform."

Aditya Gupta

Program Director - Birlasoft

"A fantastic roundtable by CIO&Leader and Microsoft on securing organisations and the role of AI. Great format and valuable insights."

Anand Aggarwal

Group Chief Technology Officer - Bennett Coleman & Company

"The event was excellent, offering valuable insights into new technologies and providing a great platform to connect with industry leaders and peers."

Amandeep Singh Bawa

Global Head - Information Technology Infrastructure - Centrient Pharmaceuticals
