Delegate Feedbacks

"Today's event was insightful and entertaining – Microsoft shared their AI solutions and gave us a clearer picture of their direction."

Shweta Srivastava

Head Information Technology - Matix Fertilizers & Chemicals

"An honour to join the CIO&Leader roundtable with Microsoft – an insightful discussion on AI and its nuances in cybersecurity. Grateful for the knowledge shared by industry experts and colleagues, and I look forward to more such sessions."

Gopi Krishna

Head of Cyber Defense - SMFG India

"Today's session on AI in cybersecurity was insightful, highlighting the growing importance of AI in protecting digital assets. Industry leaders, including Microsoft, shared valuable perspectives on AI-driven security solutions. Truly a knowledge-packed session!"

Pawan Dalmia

Assistant Vice President Information Technology - Cloud & Technology Infrastructure - Birla Sun Life Insurance

"Today's session with Microsoft and CIO&Leader was truly intriguing – a great discussion on platform security, cybersecurity at the board level, and valuable insights from peers and experts alike."

Shashank Bajpai

Chief Information Security Officer & CISO (VP - IT)- Yotta Data Services

"Thank you CIO&Leader and Microsoft for an insightful session on AI and cybersecurity, showcasing EIML capabilities and how products are securely designed. Truly appreciated!"

Anand Kumbhani

Vice President Information Security - ICICI Securities
