Delegate Feedbacks

“Thanks to Netskope and the team for this wonderful conference. Mr. Krishna explained the Netskope portfolio and solutions very clearly. I really liked their security offerings and the way the event was organized for senior IT leaders. Kudos to the entire Netskope team for addressing real industry challenges so well.”

Ankur Chavan
Senior Director – Information Technology, Biocon Limited

“Thank you so much for inviting us. It was a very insightful and interactive session – we really enjoyed it. We had great discussions, exchanged ideas, and heard from industry stalwarts. Thanks once again to the team for this wonderful experience.”

Prosenjit Chakraborty
Head – IT, Jakson Green

“Thank you for this wonderful event. It was great interacting with leaders from diverse industries and getting clear, practical solutions to every query. Excellent coordination and a truly insightful experience.”

Sandeep K. Vasudevan
Associate Director – IT, Livspace

“Thanks to Netskope and CIO&Leader for the opportunity to exchange ideas. The session was insightful, highlighting how Data Intelligence, AI, and Zero Trust are shaping modern security. A truly insightful experience.”

Padmanaban T.A.
DGM & Head – Digital Projects, Karnataka Bank

“It was a wonderful and insightful event. Thanks to Netskope for showcasing their services and addressing real pain points through open discussions with industry leaders. The session was highly interactive, engaging, and truly valuable.”

Venkatesh, Director
Global Business Resilience, Corporate Security, Cognizant
