Delegate Feedbacks

"I really enjoyed today's session. It was very insightful, and I had the opportunity to connect with many leaders in this space. Thank you for inviting me to the event."

Tejas Yande

Senior Principal Customer Success Manager, Exotel

"It's a really good event organized by 9.9 Group — a wonderful and insightful session. As an Oracle partner, I gained a lot of valuable insights, and the customer references shared were very well explained. I look forward to staying in touch with the Oracle team and 9.9. Keep it up, and thank you very much."

Sanjay Jaiswal

Vice President & CISO, Nuvama Wealth Management

"Overall, it was a very good and informative experience. We gained valuable knowledge, especially on how we can enhance our technology from a voice perspective. It was truly insightful for all of us. Thank you."

Sachin Rai

AVP - IT, IIFL

"This was a very knowledgeable session. We learned something new about AI, particularly how to identify voice fraud calls — something we may consider implementing in our exchanges. It was an excellent session. Thank you very much."

Ashok Pancholi

AVP - IT, Multi Commodity Exchange of India

"This session was very insightful and informative. Thank you."

Dinesh Bhandare

VP - Technology, IIFL Capital Services Ltd.

"I attended the session as part of end-user support, and it was excellent and very interactive. I had the opportunity to engage with some of the industry's best CIOs and leaders. Overall, it was a great experience, and I truly enjoyed it."

Chandrabhushan Gupta

Senior Manager - IT Infra, SMFG
