## Delegate Feedbacks

It was good & helpful.

**Saumil Purani**

Vice President Information Technology, Axis Bank

Good insights through predefined KPIs and promising capabilities for the overall DevOps ecosystem.

**Abinash Goel**

Head of Product Management, Worley

It was very insightful session.

**Santosh Mankar**

AVP, SBI Life insurance company limited

The session was good and very informative. Looking forward to attending more such events.

**Adesh Kumar**

Head IT, Anand And Anand

Thank you for organizing a very useful and insightful session—great perspectives on transforming log data into real business value.

**Vikash Singh**

Sr. manager IT, Tata Chemicals Limited

It was a very good session. Not very long & not boring. It was short, crisp & the quiz was fun.

**Aseem Agrawal**

Head - IT, Asian Paints
