Delegate Feedbacks

"Thank you to CIO&Leader Group and Microsoft for the thoughtful invitation and warm gestures that made us feel truly special. The session offered valuable learning with insightful discussions on AI, its challenges, and the need of the hour."

Venkatesh Sripathi

Director–Global Business Resilience (Corporate Security), Cognizant

"The CIO&Leader and Microsoft session on digital trust and India's evolving regulatory landscape was excellent and insightful. The discussions offered new perspectives and valuable learning—looking forward to engaging more."

Sandeep Karan

Head – Cybersecurity, L&T Technology Services

"It was an excellent event with engaging discussions and valuable insights into various tools and options. Thanks to the CIO&Leader team, especially Sambarth and Prabhu, for the smooth coordination and arrangements."

Sandeep K. Vasudevan

Associate Director – IT, Livspace

"It was a very insightful event with valuable learning on AI governance, especially from Microsoft. Thank you to CIO&Leader for the invitation and for hosting a meaningful session."

Prasad Rao

Senior Director – IT, Vee Healthtek
