## Delegate Feedbacks

"A crisp and focused session, gained valuable new insights and look forward to exploring the concepts shared."

### Dheevvar Paralkar

Vice President- Infra Glenmark Pharmaceuticals

"Many thanks to the CIOandLeader for organizing this event in collaboration with Tata Communications. The topic was highly relevant and focused on providing valuable solutions. It was an excellent and well-executed event, with great engagement and interaction from the delegates."

### Pradipta Patro

GCISO & Head IT (RPG Group-KEC)

"It was an excellent session and a commendable initiative enabling enterprises to manage their operations centrally across multiple cloud environments."

### Sujit Singh

Group Head IT Security And Compliance (Mahindra & Mahindra)

"I discovered that Tata Communications has developed an innovative solution that seamlessly connects all three major cloud platforms through a unified fabric layer. The concept is fascinating, cost-efficient, and resembles a data fabric approach similar to network fabrics. It was a truly insightful and well-organized event."

### Vinoth Sivam
