Delegate Feedbacks

"It was a fantastic event, very interesting, new things to learn, TCS is already our client so we'll join with them and bring new technologies to enhance our business "

Ravi Vashisht

RMSI

"It's a wonderful event that I've attended, great knowledge given on the products given by TataCommunications"

Sushil Meher

AIIMS, New Delhi

"Great initiative by 9.9 & TataCommunications, Case Study style is a great idea as people learn by practicing rather than just listening."
